1 Sales by year

Looking at the sales across 5 years of data we have small dips in 2009 and 2013.

2 Sales by country and year

Looking more closely at our breakdown of revenue by country, the USA remains our biggest market, closely followed by Canada, Brazil, France and Germany.

3 Sales in top 5 countries

Looking more closely at these top performing countries we can see country specific factors have impacted sales creating no trend consistently across all 5 countries.
